HOW DO YOU EARN MONEY?

Please take note that everything stipulated in this document are examples of what you can earn and should not be taken as guarantees for projected income, SA Vitamins can under no circumstances guarantee that you will achieve any outcome or results as shown in this document, your success and money you will be making depends on your own success, your participation, selling skills, professionalism, networking skills and creativity will provide the necessary result you require and each individual will determine his or her own success.

Make a decision and decide how much extra money you want to earn monthly, set a personal goal. Use the information below to establish how much sales you will have to make to achieve this goal.

The 1st example below will help you understand how much money you can make from your own and group sales, you will always make a minimum of 30% on all your own sales, so work out how much you will need to sell to generate the required extra income. Below are some examples of how much you could earn on your personal and group sales:

Your sales	Your income
R 5 000.00	R 1 500.00
R 15 000.00	R 4 500.00
R 30 000.00	R 10 000.00
R 90 000.00	R 27 000.00

If your personal sales are R8000 per month, you get 30% discount that will earn you R2400 + 5% back on group sales R120 totaling R 2520.00

See the income example below, this you will receive monthly if you have a downline of 100 people and if each person only sells products to the value of R1000 in that month, this is what you could earn from your group sales:

R1 000.00 x 100 agents = R100 000.00 – Your passive income could be R16 000.00 or see example below

Your group sales	Your passive Income
R 5 000.00	R 150.00
R 16 000.00	R 1 120.00
R 40 000.00	R 4 800.00
R 65 000.00	R 10 400.00 to R16 250.00

Increase your group sales by referring more agents and encourage them to recruit more agents, this will increase your status and earn you higher % money back. Directors get 30% of all sales and 16% back from all group sales.

If you are a Director and your personal sales are R65000 per month, you get 30% discount that will earn you R19500 + another 16% back (R10400) totaling R 29 900.00.

There are 9 levels of income that get calculated each month and you will be remunerated accordingly, this money will be deposited directly into your account. Please see our easy income and discount plan on the next page.
